
Red Prime Steak Listed in MSN's Top 10 Steakhouses in USA!

Oklahoma City-Each year MSN City Guides publishes the "Best of the Best" in the USA. This year Red Prime Steak was awarded a prestigious place on the Top 10 list of Best Steakhouses in the United States.

Listed with steak houses in LA, San Francisco, Las Vegas, Boston, Chicago, and Brooklyn, Red Prime Steak has proved that the finest dining in America can be found right here in Oklahoma City!

The article, written by Gayot.com, praises Red for its décor as well as the fabulous steaks that are offered with a "unique selection of crusts and rubs" and a wide variety of Red's special sauces. Among the favorite side dishes listed, the Red Prime's Tomatoes with hot-house fried green tomatoes topped with mozzarella made an impression. Those judging also found the beef tenderloin tamales with roasted poblano chimichurri and sun-dried tomato cream a great flavor combination.

Red Prime Steak has now initiated Wagyu Wednesdays. Food connoisseurs are in for a real treat with a special Wednesday menu featuring entrees made with a variety of cuts, grades, and breed of Wagyu beef. Each week Red's chefs will introduce a unique and innovative preparation and will offer meals at different price points to accommodate customer budgets.

To try one of these amazing steaks served in a historic yet modern atmosphere, plan now to visit Red Prime Steak, located 4 blocks north of Bricktown at 504 N. Broadway Avenue at NW 4th in Downtown Oklahoma City.

A Good Egg Dining Group was started in 2000 when Keith and Heather Paul opened Cheever's Café on 23rd and Hudson. They followed with Iron Starr Urban BBQ in 2002. Both are unique restaurants housed in charming historic Oklahoma City structures. In 2007, the Pauls opened their third restaurant, Red Prime Steak. The upscale restaurant is located in the historic Buick Building on 4th and Broadway in Downtown Oklahoma City. They opened Market C, a gourmet take-out and catering restaurant, in the fall of 2008. . Pops joined the team in August of 2007. This 50's style stop on historic Route 66 east of Edmond offers over 500 flavors of soda pop, gas, quick shop items, as well as a full service café.
